PDCM (Pavement Design, Construction, and Material) Enterprise Open House

Pavement Enterprise Information Session
The Pavement Design, Construction, and Materials (PDCM) Enterprise is seeking motivated individuals to join their organization. PDCM is an Enterprise for students in Civil and Environmental Engineering, and participation in this group can substitute for the senior design requirement.
Come to our information session!
- Thursday, October 29, 2009 @ 5pm
- Dillman Hall, Room 204
- Members will present about current projects and answer questions
- FREE pizza and pop will be served
- Two lucky attendees (potential members) will receive tickets to accompany the entire Pavement Enterprise in a Husky skybox at the MTU vs. UND hockey game on Friday, November 6, 2009.
- ENG1101 students: attending this session can count for one of your exploration credits!
