Dear ASCE North Central Conference Student Chapter:

This is your 2007 North Central Conference Mailer I, the first of three packets to be sent to each of the participating schools. Please read carefully through this packet and distribute copies to the appropriate chairpersons in your chapter. Do not throw away this mailer! The information that is given may not be repeated in subsequent mailers. Enclosed you will find the following information:

- Receipt of confirmation
- Deadlines summary
- Registration forms
- Tentative conference schedule
- Competition rules

Receipt of this mailer should be confirmed by mailing or faxing the enclosed form by December 1, 2006. Please note the school registration deadline is **January 15, 2007**.

Please keep in mind that the technical paper presentation and business meeting are required by ASCE in order to be formally recognized as a conference. In addition, any school wishing to advance to national competition in steel bridge or concrete canoe must participate in both events.

If you have any questions, feel free to contact me at [jjzellme@mtu.edu](mailto:jjzellme@mtu.edu) or contact the conference by e-mail: [ascencrc@mtu.edu](mailto:ascencrc@mtu.edu). All information regarding dates, events, rules, etc. will be posted on our conference web site: <http://www.cee.mtu.edu/asce/ncc2007>. We will do everything possible to answer your questions in a timely manner, but please be patient.

We look forward to seeing you in the spring!
