

2007 North Central Conference

Hotel Accommodations For Students

Houghton:

We have made arrangements with the Country Inn & Suites (906-487-6700) for any students who will be attending the conference. These rooms will be available for \$89 per night. Be sure to mention the ASCE Regional Conference to get this rate. If they ask for a group code, mention "Concrete Canoe" (sorry bridge participants). The deadline for guaranteed rooms at this rate is February 26, 2007. However, they will offer rooms at the group rate as long as they are available.

The Country Inn is located in the expanding shopping/restaurant district just west of downtown Houghton, minutes from the Michigan Tech campus. Some of their facilities include a swimming pool, exercise room, close parking and close vicinity to several dining choices.

In the event that the Country Inn fills up, we suggest contacting the Holiday Inn Express (906-482-1066). They are located near the Country Inn and offer many of the same facilities.

In the event that the concrete canoe races will be held in Saginaw, it is the responsibility of the hotel guest to cancel any unneeded rooms/nights. Failure to do so will result in additional hotel charges.

Saginaw:

Arrangements have been made with the Hampton Inn (989-792-7666) of Saginaw, Michigan for the night of April 2nd. A group rate of \$63 per room has been set up with a group code of "North Central Conference".

In the event that the Hampton Inn is booked, the Super 8 Motel (989-791-3003) is also available. Both hotels are located within one mile of the Haithco Recreation Area and have indicated that it is acceptable to cancel any unneeded rooms for the night of Monday, April 2nd for up to 24 hours prior to check-in without additional charges. Each team/school is responsible for canceling their own rooms in the event that they are not needed.
