

March 7, 2007

Dear ASCE North Central Conference Student Chapter:

This is your 2007 North Central Conference Mailer III. Please read carefully through this packet and distribute copies to the appropriate chairpersons in your chapter. Do not throw away this mailer! This will be the last set of information sent to your chapter. Any changes will be included in your welcome packet that will be distributed upon your arrival on March 31<sup>st</sup>. Enclosed you will find the following information:

- UPDATES!
- Final Itinerary
- Concrete Canoe Presentation Information
- Maps

It is important to note the change to the itinerary. Due to present and forecasted weather conditions in Houghton, the planning committee has decided to move the Concrete Canoe races to **Haithco Recreation Area in Saginaw, Michigan**. The races will be held on April 3<sup>rd</sup> as outlined in the itinerary. This is a reminder that you are responsible for cancelling any unneeded hotel accommodations! Suggested accommodations in Saginaw were included as part of Mailer II.

Please keep in mind that representatives from all teams must be present at the captains' meetings on Saturday evening in order to participate in competition. The judges will answer any questions that you may have and will discuss how competition will take place.

If you have any questions, feel free to contact me at [jjzellme@mtu.edu](mailto:jjzellme@mtu.edu). Mailer III and the previous two mailers have been posted on the conference website:
