idesign

How to get involved

Currently students pay about $2,000 (not including class tuition) for travel, accommodations and project construction materials.

Opportunities for donations include:

1. Sponsor one project design team (travel & materials) at $10,000 per team. (There are 3 to 5 teams per class.)

2. Provide student scholarship programs at $2,000 per student

3. Participate as an on-site technical advisor/mentor during the two-week summer field experience.

4. Provide technical advice during the fall semester design project.

Donations are tax deductible

Online Donation:
Michigan Tech Fund Online Form
Select 'College of Engineering'
and in the write-in box specify the donation for
"Civil & Environ. Eng. International Senior Design Project"

Or by Mail to the address below:

Office of Development/Michigan Tech Fund
Citizens Bank Building, 7th Floor
1400 Townsend Drive
Houghton, MI 49931-1295
